Phone: (301) 334 – 2450 ~ Fax: (301) 334 – 2188

This letter is to provide you with the information about our service. As a residential customer, your service will include the following:

- You may dispose of (4) 30gallon garbage bags, or if toter customer – container that is provided may be filled, of household trash each week. (House hold trash is trash you would throw away in your kitchen trash can) Garbage **MUST** be in bags.
- If you regularly have more than (4) 30gallon bags, you may need to increase your service.
- We will occasionally pick-up extra trash for an additional fee per bag. Our policy is to never leave trash – we will pick-up the trash and charge your account.
- A reasonable amount of extra trash will be picked up on holidays at no extra charge. (example: Christmas)
- Trash containers must be placed at the end of your driveway for service.
- During the winter months, sometimes it may be difficult for our truck to access certain areas if the roadway(s) is not treated and plowed. You will also need to have your trash receptacles clear of snow and ice. We will do our best to pick-up every customer during inclement weather.
- If disposing of cardboard boxes or newspapers, you may bring them to our shop at 105 Arnold Ln. at no cost, between 9:00am – 2:00pm Monday – Friday.
- Household bulk items – call our office and we can arrange a bulk pick-up for your items at an additional cost or provide you with further information.
- Payment must be received within the due date. If payment is not received, you will be put on our skip list (stop service – billing will continue until payment is received).

Please sign on the line below stating that you have read, understand and agree what your service includes.

Thank you for choosing us as your service provider. We appreciate your business.
